

Our Mission and Philosophy

At Rio Gymnastics Center LLC we are proud of the programs that we offer and we are proud to back it up with a 100% money back guarantee. If within the first two weeks of any term you are unhappy about any class we will withdraw your child from the class and cheerfully refund 100% of your tuition and registration fee if you are new to our program. If your family is not new to our program, we will extend a credit for 100% of the unused portion of your tuition towards another class or to a future class. You must notify us in writing with in the first two weeks of the term.

We are more than just gymnastics, we are about teaching life habits . Our classes are taught by trained instructors who want your child to succeed .

Our recreation Pre-Team program begins with the basics and as your child progresses through our classes they will learn valuable life tools such as team work, goal setting, organizational and problem solving skills, and increased self-confidence. Our Team program is about the gymnast . We focus not only on their skills, but what we can do to prepare them mentally and physically for competition.

We can't wait to introduce you and your child to our program and start them in the wonderful world of gymnastics.

How to find us

We are located West of Sandia View Academy/Elementary and Next door to Veggie Lifestyles and Corrales Furniture.
